NLRB-2018-001331	Mr. Michael R Severino	I wish to request documents regarding the following NLRB case: Edward W. Sparrow Hospital Association d/b/a Sparrow Hospital 07-CA-164712. I am a bargaining unit member of MNA (charging party) and have reason to believe that the charged party has violated the Informal Settlement reached in the conclusion of this case. This information is necessary to confirm a violation.  In order to confirm the terms of the settlement and if they were indeed violated, I would like to obtain the case documents including: position statements by either party, Compliance Case--Closing Letter, Compliance Case--Certification of Posting, Conformed Settlement Agreement Bilateral, All Amended Consolidated Complaint(s), All Signed Amended Charge Letter(s), All Signed Amended Charge Against Employer (Charging Party and GC), Initial Letter to Charging Party, Initial Letter to Charged Party, Signed Charge Against Employer, RD Order.  This request covers a substantial portion of the case. For sake of efficiency of NLRB staff and cost, I am willing to narrow the scope. The goal of this request is to document enough of the subject matter of the charges in this case to determine whether this employer has violated the settlement terms by still maintaining coercive rules. Which documents best provide that material is what I seek.  Please feel free to contact me if you have any questions.	9/14/2018	10/15/2018	Closed	10/24/2018	Partial Grant/Partial Denial

We have also been asked for the final results of the petitions (following tally of ballots). We would also need: Date, Union Affiliation, Affected Business/Organization, and the result for each of these. This is not urgent, and is simply an effort to better understand which unions are present in the community, and which unions have sought certification/de-certification (and their results). Thank you. 		<p>Any and all Records relating to or mentioning 'Main Core','MAINCORE' and 'MAIN CORE'.</p> <p>Allegedly 'Main Core' is the code name of an US governmental database that is believed to have been in existence since the 1980s. It is believed that Main Core is a federal database containing personal and financial data of millions of United States citizens believed to be threats to national security. The data which is believed to come from the NSA, FBI, CIA, and other sources, is collected and stored without warrants or court orders. The database's name derives from the fact that it contains "copies of the 'main core' or essence of each item of intelligence information on Americans produced by the FBI and the other agencies of the U.S. intelligence community".</p> <p>The Main Core database is alleged to have originated with the Federal Emergency Management Agency (FEMA) in 1982, following Ronald Reagan's Continuity of Operations plan outlined in the National Security Directive (NSD) 69 / National Security Decision Directive (NSDD) 55, entitled "Enduring National Leadership", implemented on September 14, 1982. As of 2008, there were allegedly eight million Americans listed in the database as possible threats, often for trivial reasons, whom the government may choose to track, question, or detain in a time of crisis. The existence of the database was first asserted in the 1990s by J. Orlin Grabbe, then again in May 2008 by (b) (6), (b) (7)(C) and in July 2008 by Tim Shorrock.</p> <p>The requested documents will be made available to the general public, and this request is not being made for commercial purposes.</p> <p>In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. NLRB-2018-000848	(b) (6), (b) (7)(C)	Good evening (b) (6), (b) (7)(C) Officer A starts their overtime at 8:00 at night but one takes his personal vehicle because he lives close to the outer port. Officer B leaves the port of San Francisco, Ca to work overtime starting at 8:00 but uses the government marked vehicle. Both officer complete their task at 10:00 at night . Officer A goes home in his personal vehicle and fills out an overtime tickets for 10:00 - total hours of overtime 2 hours ; ovetime ticket is approved. Officer B now has to return back to the port in uniform in the government vehicle he checked out but it takes him 1 hour( for easy argument) When officer B arrives back at the port he fills out his overtime ticket for 11:00 for a total of 3 hours of overtime- it is NOT approved- approved for 2 hours . Reason told by management is that his job was completed at 10:00. All state "that is just the way we do it here"; This inconsistency has been going on for 20-30 years. Many have attempted to resolve this but all unsuccessful . Our local chapter has failed and officer to date are not being paid for the aforementioned. CBP has having us work for free on our way back to the port in the government vehicle.	5/22/2018	6/21/2018	Closed	5/25/2018	Request Withdrawn

		Dear Sir/Madam, I am requesting an opportunity to obtain or inspect copies of public records of the following, which I understand to be held by your agency: 1) Copies of all reports and complaints made against Facebook, or by Facebook employees, or otherwise involving Facebook. (For example a third-party contractor who worked on Facebook premises would qualify under this, but not an entirely unrelated case in which a worker was dismissed relating to their use of Facebook and subsequently complained). 2) Copies documented to the consequence of these complaints or reports " whether they were upheld, contested, rejected, etc., as well as any accompanying documentation or correspondence inside the department and with relevant outside parties, including emails, and transcripts and/or minutes of meetings if available. For both 1) and 2) the timeframe stretches from January 1, 2015 to the present day (March 9, 2018). If certain details cannot be released due to personally identifying information, please redact the records and release the records that you can. This information is not being sought for commercial purposes. I prefer digital copies if possible. If access to the records I am requesting will take longer than the statutory limit, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you.	5/10/2018	6/8/2018	Closed	5/15/2018	No Records

NLRB-2018-000706	Joshua Solomon	As a reporter for the Greenfield Recorder who has been reporting on the labor negotiations between the local hospital, Baystate Franklin Medical Center, and its nurses, represented by the Massachusetts Nurses Association, I am requesting an email exchange that will help to better inform the public ahead of a pending strike April 11. Therefore I am requesting email exchanges between Meredith Garry and Kristen Barnes, since November 1, 2016 to the present, April 10, 2018. The emails are Meredith.Garry@nlrb.gov and kbarnes@masslaborlawyers.com. I believe this is of importance to the public of Franklin County, who are the readership of my paper and the potential patients of the hospital, and therefore should waive any potential fees. As a journalist covering the pending strike and lockout this week, it will be greatly appreciated for this process to be expedited. The request can be sent by email if that is easiest for your office. If you have any further questions, please do not hesitate to reach out, 413-772-0261, ext. 264 or jsolomon@recorder.com. NLRB-2018-000695	(b) (6), (b) (7)(C)	Please provide me with copies of all of the IATSE Local 16 union referral records obtained during the investigation into cases 20-CB-180861, 20-CB-170023, 27-CB-158746, 31-CB-151862 and 20-CB-90776. This would include call sheets, stewards reports, out of work list rankings, and skills lists for other union workers. This would include any "hypothetical referrals" generated by the NLRB as part of their investigation using the Local 16 referral system information to determine whether I was more qualified for work than other workers. At this time, I do not need copies of working agreements/contracts nor the initial employer labor requests. I suspect that the NLRB did not investigate these charges as thoroughly as they claimed which would be a violation of my rights and federal law. I do not expect that many if any referral records where obtained during these charges at all. Please contact me if you wish to narrow the scope of this request/clarify anything. If by some miracle there are more records than I expect then I can narrow this request down to one charge at a time working backwards from case 20-CB-180861. I expect a response in 20 business days or will take the appropriate action in the courts given the number of times your agency has repeatedly ignored this important federal law. If there is a convenient backlog again then contact me in 20 days and say so this time instead of ignoring federal laws.	4/9/2018	5/7/2018	Closed	4/12/2018	Full Denial Based on Exemptions

NLRB-2018-000656	Dr. Daniel Greene	Pursuant to the federal Freedom of Information Act, 5 U.S.C. &sect; 552, I request access to and copies of any information regarding Knoll Inc.'s union election held in May 2012. I am most interested in the showing of interest used to support the RC Petition. This information will be used in non-commercial, academic use, as described below. Details of the election are: Knoll, Inc. 04-RC-79871 Petition filed in April 2012 Election held in May 2012 For this election to occur, the organizing employees were required to submit a showing of interest with the petition documents. The showing of interest demonstrates that a substantial number of employees in the unit (typically 30%) wish to be represented by the petitioner. I am interested in obtaining the exact number of employees that were documented in the showing of interest. I do not need the employee names or other private information. I simply want to know the total number or percentage of employees. I would like to receive the documents via email (dtg@clemson.edu) in Portable Document Format (PDF). If necessary, upon request, I can provide a portable USB hard drive for the transferring of data and a self-addressed stamped return envelope for you to return the hard drive to me. I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$30. However, please notify me prior to incurring any expenses in excess of that amount. NLRB-2018-000632	Theresa Nelson	I am requesting information from the NLRB on any charge, case number or citation where the NLRB found it had jurisdiction pursuant to the NLRA over a charge based on allegations by one singular employee, who was not engaging in any exercise of the employee's right to organize, the formation or administration of labor organizations, or conduct by or in connection with labor unions, but claimed he and his coworkers made concerted complaints of how a foreman was treating the employees; and claimed this behavior was a violation of Section 8(a)(1) of the National Labor Relations Act (NLRA). In addition, I am requesting information from the NLRB on any charge, case number or citation where the NLRB found that a foreman's general treatment of employees is a violation of the NLRA. For this request, any alleged treatment by the foreman does not involve any exercise of the employee's right to organize, the formation or administration of labor organizations, or conduct by or in connection with labor unions or any unlawful behavior; but rather was a general complaint about treatment of employees (e.g., rude behavior, yelling). I am seeking this information to determine, in general, if one singular employee claiming a concerted complaint was made regarding a supervisory employee's general (but not unlawful) behavior is governed by the NLRA as a protected activity. If this behavior is governed by the NLRA, I am seeking specific findings and determinations by the NLRB in any charge, case or citation involving the same. Please process this request at your earliest convenience. Please provide a copy of this request to your FOIA Officer.	3/21/2018	4/18/2018	Closed	3/28/2018	Fee-Related Reason

NLRB-2018-000195	(b) (6), (b) (7)(C)	Re: FREEDOM OF INFORMATION ACT REQUEST / 16-CA-192044 Dear Sir or Madam, This is a request under the Freedom of Information Act. I request that a copy of the following documents [or documents containing the following information] be provided to me: Investigative materials or records including interviews, notes, work papers, memoranda, e-mails, documents, and audio or video recordings received or prepared by investigator(s) concerning, or relating to the performance of the investigation or in the performance of any official duties related to the investigation of NLRB Case No. 16-CA-192044. To help to determine my status to assess fees, you should know that I am (b) (6), (b) (7)(C) one of the complainants who initiated a charge of retaliation against Waller Media, LLC. I am writing a series of articles about Waller Media, LLC for publication in the radio broadcast industry. One of the subjects will be the investigation by NLRB regarding the claims of retaliation by the employees and me against the employer. According to the information, I have received from the former Waller Media, LLC employees, the investigator's handling of the case was exemplary while an OSHA investigation of the same matter was poorly handled. The public has a strong interest in how these two investigations of the same matter could turn out so differently. Therefore, I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest. Thank you for your consideration of this request. Sincerely, (b) (6), (b) (7)(C)	11/22/2017		Closed	2/15/2018	Fee-Related Reason
